

A Community Order

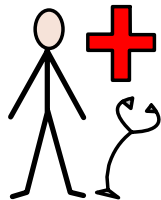

A Community Order is part of the Criminal Justice Act 2003.

Your name:

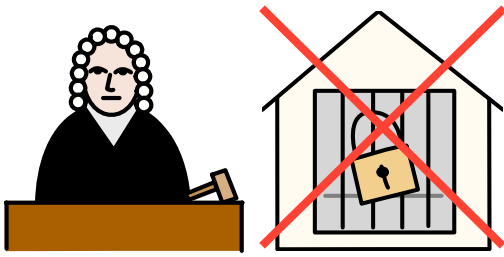

Your Doctor is:

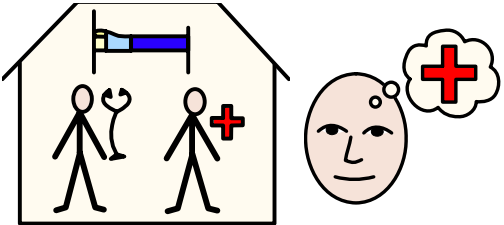

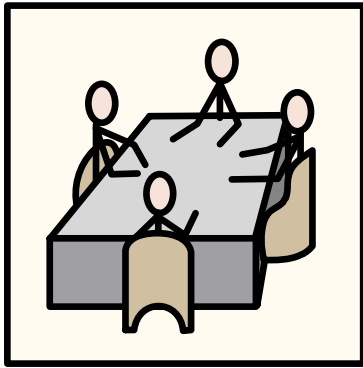

Information for patients

A Community Order allows the court to make special rules instead of sending you to prison.

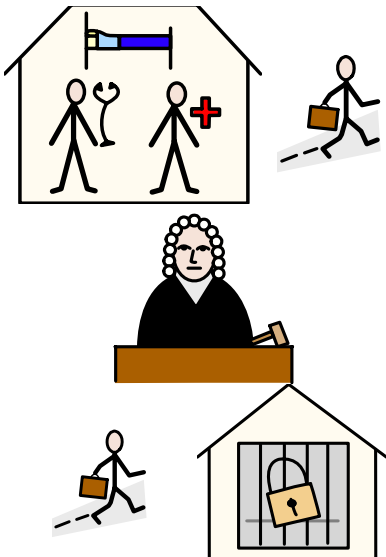

There are many parts or 'requirements' to a Community Order, one of which is mental health treatment.

It cannot be made unless you agree to the terms of the order.

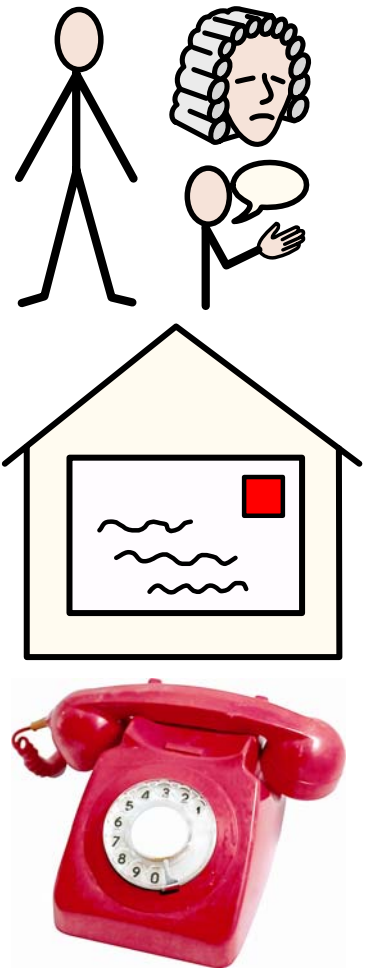

A Community Order cannot be for longer than 3 years.

If you leave the hospital without permission during the Community Order, the court can send you to prison for the total sentence.
