## Section 4

### Admission to Hospital for Assessment In cases of emergency

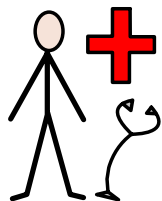

Your name:

---

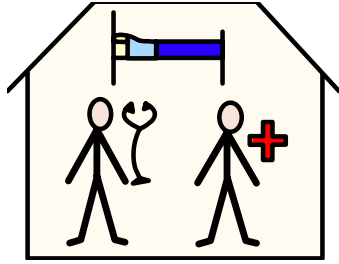

Your Doctor is:

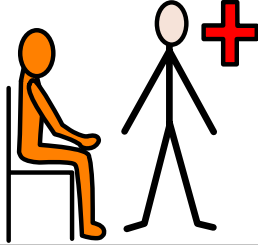

---

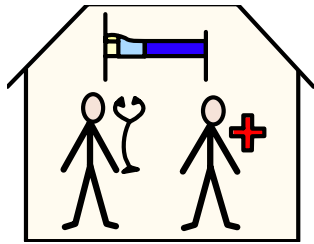

Information for patients

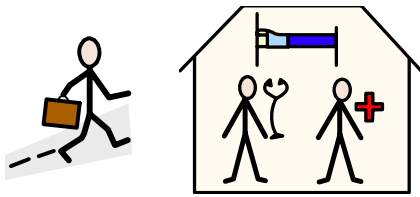

Section 4 of the Mental Health Act says that you **MUST** stay in the hospital so that a Doctor and others can help you.

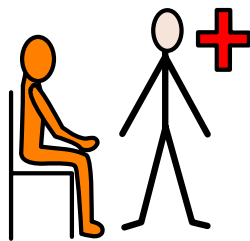

The Doctor will talk to you about the help that you need.

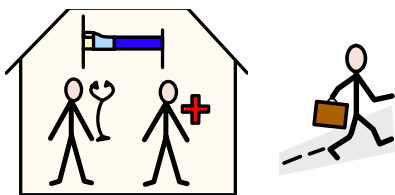

You must stay for 3 days so another Doctor (number 2) and a Social Worker can see you.

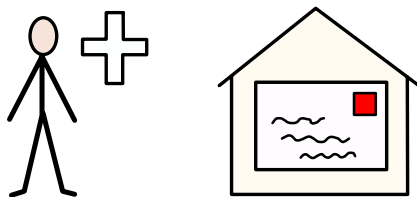

If you go before 3 days Nurses will bring you back.

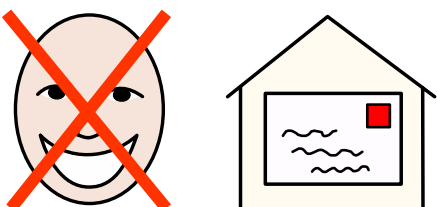

When Doctor (number 2) and the Social Worker see you they might say you **MUST** stay longer.

If you are not seen by Doctor (number 2) in 3 days you can leave.

If you are unhappy speak to a Doctor, Nurses, or write to the Hospital Managers.

If you are still unhappy you can write to the Mental Health Act Commission.
